**NOTICE**

**To**  
**All members of NCCOEEE National Chapter**

With Best of festive greetings to all members of NCCOEEE constituent organisations, as well Electricity Workers, Employees and Engineers all over the country, this notice is issued to share information to all concerned on the revival plan of the Union Government towards adoption of Electricity (Amendment) Bill, 2014 in winter session of the Parliament. Former MIC (Power), kept the discussion on exchange of views on the impugned Bill tabled in the Parliament. Meanwhile, Shri R. K. Singh has been assigned the portfolio of Power Ministry. On the part of the Govt., the enactment plan has been publicized to press. On behalf of NCCOEEE, we have requested the new Minister to resume the incomplete discussion. (Copy attached hereto).

We had discussion on the issue over phone among the members of National Chapter. As planned, next **NCCOEEE meeting will take place on 18<sup>th</sup> November in Bangaluru at 1-30 PM.** Venue will be **KEB Engineers Association Building (28, Race Course Road, A R Circle, Bangalore).** All NCCOEEE National Chapter members are requested to attend the meeting in time.

Followed by the NCCOEEE meeting, **Southern Regional Convention will take place at 3 PM on the same day in the Auditorium of KEB Engineers Association Building.** Fore-front leaders of all the NCCOEEE constituent organisations from Southern Regional states are requested to take part in this convention. Members of NCCOEEE constituent organisations of Karnataka (from Bangaluru and adjacent) are requested to take part in this convention. The Convention will send a clarion call to Central and State Governments to abandon the idea of further splitting the Power Utilities into fragments to curb the right to Electricity of people of India. On the other hand, Convention will put an appeal to the people of our country to impress the Governments to re-bundle the State Electricity Boards to make Electricity a service for Socio-economic development of the country as a whole.
