Dear Comrades,

We had discussion with leaders of Petroleum & Gas Workers' Federation of India towards issuance of joint solidarity statement to support consecutive three day's Strike between 2<sup>nd</sup> & 4<sup>th</sup> July, 2020 opposing transfer of coal mining operation to private parties. Accordingly, the solidarity declaration has been issued. Copy of the Joint Declaration is attached hereto for your study and widest circulation among the electricity employees and common public. Some Electronic Campaign material is being developed in English and will be sent through EEFI OB & EEFI WCM WhatsApp page. Those may be converted in local language/similar campaign material may also be developed from state centres.

All EEFI constituents should organise work place intervention on 2<sup>nd</sup> July, the first day of 3 day's strike through vigorous demonstration before commencement of working hours or during mid-day break. Our state level organisations should also issue Press Release with the programme in the state enclosing the National level Joint declaration. Wherever possible our leaders may take part in the demonstration / rally of the Coal Workers. A brief report may kindly be sent to EEFI Centre for webcasting through our Web site.
