EEFI Appeal to Support Flood victims of Kerala

All we are aware of the devastating flood in Kerala Causing death over 40 people, damage of thousands of houses and other public & private properties inclusive of livelihood of millions of people in the state. Total damage is yet to be estimated. We convey our solace & heartfelt sympathy to members of flood victim families. EEFI constituents of Kerala have decided to do their best for the flood victims. We, from other parts of the country should extend sagacious and human responsibility for our Kerala brethren.

We request all our affiliated and associated organisations to immediately remit generous contribution to EEFI centre for relief work at Kerala from the available fund of the organisation. We may put our fervent appeal to all Electricity Workers, Employees and Officers to donate as per their capability to fight this natural calamity. Such accumulated fund should be sent to EEFI centre by two weeks next.
